Date for Review	Autumn 2027

1. Aims

This policy aims to:

- Provide background information about the pupil premium grant so all members of the school community understand its purpose and which pupils are eligible
- Set out how the school will make decisions on pupil premium spending
- Summarise the roles and responsibilities of those involved in managing the pupil premium in school

2. Legislation and guidance

This policy is based on the pupil premium [allocations and conditions of grant guidance 2026 to 2027](#) and guidance on [using the pupil premium](#), [virtual school heads' responsibilities concerning the pupil premium](#), and the [service pupil premium](#) from the Department for Education (DfE).

3. Purpose of the grant

3.1 Pupil premium grant

The pupil premium grant is additional funding allocated to publicly funded schools to raise the attainment of disadvantaged pupils.

The school will use the grant to support these groups, which comprise pupils with a range of different abilities, to narrow any achievement gaps between them and their peers.

We also recognise that not all pupils eligible for pupil premium funding will have lower attainment than their peers. In such cases, the grant will be used to help improve pupils' progress and attainment so they can reach their full potential.

3.2 Service pupil premium grant

An additional grant, the service pupil premium grant, is funding to provide pastoral support for pupils who are children of serving and former armed services personnel. Pupils can be eligible for both pupil premium and service pupil premium.

Service pupil premium will not be combined with pupil premium funding, and spending of each premium will be accounted for separately.

4. Use of the grant

4.1 Pupil premium

The school will use pupil premium funding to address specific challenges disadvantaged pupils face, through:

- High-quality teaching
- Targeted academic support
- Wider strategies to help pupils to attend, belong and succeed

Pupil premium is not a personal budget for individual pupils. The school may spend the pupil premium grant to benefit:

- Eligible pupils registered at our school
- Pupils who meet the funding criteria and who are registered at other state-funded schools – e.g. when hosting summer schools which welcome pupils from other schools

Where appropriate, the school may also use pupil premium funding to:

- Support non-eligible pupils with other identified needs, such as those who:

- Have or have had a social worker
- Are carers
- The school believes to be economically disadvantaged but who have not been identified as eligible for the pupil premium

➤ Deliver whole-class interventions which will also benefit non-disadvantaged pupils

Decisions on how to use the pupil premium in your school are informed by pupil outcomes, parent/carers/pupil engagement and by research evidence, including the [guide published by the Education Endowment Foundation \(EEF\)](#). We have used this research to develop the 4-stage approach to the strategy:

1. Diagnose Pupils' Needs (IEPs/PCR/parental feedback, assessment and attendance data, behaviour records, medical and other professional advice)
2. Evidence (review of specialist interventions – referring to EEF Teaching and Learning toolkit)
3. Implementation (PP plan as part of School development plan, specific interventions on IEPs)
4. Monitor and Evaluate (PCR process and data evaluation)

Wyvern Academy is a special school for 90 pupils with PMLD/SLD/Complex Autism. Key Barriers to future attainment are often due to communication, emotional regulation, personal development, and sensory regulation needs.

The school will only spend pupil premium funding in line with the terms outlined within the conditions of grant as outlined below:

- For the benefit of pupils registered at the school.
- For the benefit of pupils registered at other maintained schools or academies.
- On community services whose provision furthers any benefit for pupils at the school.

Pupil premium is not a personal budget for individual pupils, and schools are not required to spend all of their allocated grant on eligible pupils. The school will use the PPG to support other pupils with identified needs where it is deemed beneficial to do so, for example, on pupils who have or have had a social worker or, pupils who may be acting as a carer. Pupil premium may also be used on whole-school approaches, e.g. high-quality teaching, which will also benefit non-disadvantaged pupils

The school will decide the activities on which the PPG will be spent in line with the framework and 'menu of approaches' set out by the government in ['Using pupil premium: guidance for school leaders'](#), and focussed on the three areas below:

- High-quality teaching, such as staff professional development
- Targeted academic support, such as tutoring
- Wider strategies to address non-academic barriers to success in schools, such as attendance, behaviour, and social and emotional support

Some examples of Interventions used are:

- Providing one-to-one or small-group support
- Employing extra teaching assistants
- Providing extra tuition where needed (for example, additional communication groups, literacy and numeracy)
- Funding educational trips and visits
- Funding uniform and educational equipment
- Providing Parental and family support
- Providing well-being interventions (for example, ELSA, music therapy, drama therapy, play, dance therapy)
- Training for staff to provide interventions.

- Providing electronic aids to support access to the curriculum (for example, ipads)

We will publish information on the school's use of the pupil premium on the school website in line with the requirements set out in our funding agreement and the DfE's guidance on what academies should publish online, using the templates on GOV.UK.

Information on how the school uses the pupil premium is available here:

4.2 Service pupil premium

The service pupil premium will be spent in response to the specific needs of service children at the school – it will not be used to subsidise routine school activity.

The school will use the service pupil premium to:

- Offer pastoral support and counselling during challenging times for service children
- Help mitigate the negative effects on service children of family mobility and separation
- Help pupils improve communication with a deployed parent

5. Eligible pupils

The pupil premium is allocated to the school based on the number of eligible pupil between reception and year 11.

Eligible pupils fall into the categories explained below.

5.1 Pupils eligible for 'targeted' free school meals and 'ever 6'

From the 2026/27 academic year, all pupils in households that receive Universal Credit are eligible for free school meals (FSM) under the government's expanded FSM programme. As a result, there are now 2 categories of benefits-based FSM:

- Targeted: for pupils whose household income is less than £7,400 – the same income threshold as before the expansion
- Expanded: for pupils whose household income is £7,400 or more

Pupils who qualify for targeted FSM are eligible for the pupil premium; pupils who only qualify for expanded FSM are **not** eligible for the pupil premium.

Pupils in reception, year 1 and year 2 who receive universal infant free school meals (UIFSM) **and** qualify for targeted FSM are eligible for the pupil premium; pupils who only qualify for expanded FSM are **not** eligible for the pupil premium (though we still encourage them to apply for benefits-based FSM).

We will recheck pupils' eligibility annually.

Ever 6 FSM cohort

Pupils are eligible for the pupil premium if they have been eligible for targeted FSM (or FSM before the 2026/27 academic year) at any point in the past 6 years – these pupils are known as being part of the 'ever 6 FSM cohort'.

5.2 Looked-after children

Pupils who are in the care of, or provided with accommodation by, a local authority in England or Wales for more than 24 hours.

5.3 Previously looked-after children

Pupils recorded in the most recent October census who:

- › Were looked after by a local authority or other state care immediately before being adopted, or
- › Left local authority or other state care on a special guardianship order or child arrangements order

This includes children adopted from state care or equivalent from outside England and Wales.

5.4 Service children

A pupil attracts the service pupil premium if they meet any of the following criteria:

- › They have a parent serving in the regular armed forces (this includes pupils with a parent who is on full commitment as part of the full-time reserve service) and they have been registered as a 'service child' in the most recent October DfE school census
- › They have a parent serving in the armed forces of another nation and is stationed in England, and they have been registered as a 'service child' in the most recent October DfE school census
- › They have been registered as a 'service child' on any DfE school census at any point in the past 6 years ('ever 6 service children'), as determined by the DfE's latest conditions of grant guidance, including those first recorded as such in the most recent October census
- › They are in receipt of a child pension from the Ministry of Defence because 1 of their parents died while serving in the armed forces

6. Roles and responsibilities

6.1 Headteacher and senior leadership team

The headteacher and senior leadership team are responsible for:

- › Keeping this policy up to date, and making sure it is implemented across the school
- › Making sure all school staff are aware of their role in raising the attainment of disadvantaged pupils and supporting pupils with parents in the armed forces
- › Planning pupil premium spending and keeping this under constant review, using an evidence-based approach and working with virtual school heads where appropriate
- › Spending pupil premium in line with the conditions of grant for each financial year and the DfE's 'menu of approaches
- › Monitoring the attainment and progress of pupils eligible for the pupil premium to assess the impact of the school's use of the funding
- › Reporting on the impact of pupil premium and service pupil premium spending to the governing board on an ongoing basis
- › Publishing the pupil premium strategy statement on the school's use of the pupil premium in each academic year on the school website, in line with the DfE's [guidance on using the pupil premium](#) and using the template on GOV.UK
- › Providing relevant training for staff, as necessary, on supporting disadvantaged pupils and raising attainment

6.2 Governors

The Local Governing Board is responsible for:

- › Holding the headteacher to account for the implementation of this policy
- › Making sure the school is using pupil premium funding appropriately, in line with the rules set out in the conditions of grant
- › Monitoring the attainment and progress of pupils eligible for the pupil premium, in conjunction with the headteacher, to assess the impact and effectiveness of the school's use of the funding

- Monitoring the school's use of the service pupil premium to assess the effectiveness of the school's use of the funding in providing pastoral support to service children
- Monitoring whether the school is ensuring value for money in its use of the pupil premium
- Challenging the headteacher to use the pupil premium in the most effective way
- Setting the school's ethos and values around supporting disadvantaged members of the school community

6.3 Other school staff

All school staff are responsible for:

- Implementing this policy on a day-to-day basis
- Setting high expectations for all pupils, including those eligible for the pupil premium
- Identifying pupils whose attainment is not improving in response to interventions funded by the pupil premium, and highlighting these individuals to the senior leadership team
- Sharing insights into effective practice with other school staff

6.4 Virtual school heads

Virtual school heads are responsible for managing pupil premium funding for children looked after by a local authority and allocating it to schools. Their responsibilities include, but are not limited to:

- Identifying the eligible looked-after children and informing the local authority
- Making sure methods for allocating and spending the funding ensure that looked-after children benefit without delay
- Working with each looked-after child's educational setting to put together a personal education plan, agree how pupil premium funding will be spent to meet the need identified in this plan, and ensure the funding is spent in this way
- Demonstrating how pupil premium funding is raising the achievement of looked-after children

Virtual school heads are in charge of promoting the educational achievement of all the children looked after by the local authority they work for.

7. Monitoring arrangements

This policy will be monitored by Local Governing Board

It will be reviewed annually by the Headteacher. At every review, the policy will be shared with the governing board.
